Issue #10

2010 Happenings

- repair Feed Mill wall thanks to Dale Nixon (DNR)
- rebuild roof on Feed Mill drive thru
- restore sign
- continue work on Feed Shed
- finish floor in scale room
- install windows in Feed Mill upper level
- repair roof
- clean grain chutes, "weigh out scale" area and leg
- annual May long weekend garage sale (netting approximately \$1100.00)

Our projects have not been major as we have been operating only on the monies we received from memberships, donations and the garage sale. The last grant we received was in June 2006.

Community Spirit Program

We will be applying for the Community Spirit grant again this year. All cash donations received before Nov 30, 2010 will be eligible for this matching grant.

Feed Mill Wall Spring 2010

News Flash

We have just received a letter from the Hon Jack Hayden MLA that we have been approved for a grant under the "Community Facility Enhancement Program". We had applied for this grant which is part of the Lottery funding. Our application was a four part application to:

1. replace upper roofs on the feed mill and elevator with cedar shingles
2. complete further work on the Feed Shed
3. install electricity in the Feed Shed
4. install a new smoke detector and security system in the complex

The budget is \$52,000.00 and the grant is a matching grant providing \$26,000.00 of the total budget. We must provide our half of the budget with cash and volunteer labor.

Feed Mill Wall Repaired Summer 2010

Here are a few ways you can be a part of raising the matching funds.

Be a volunteer at one of our fund raising tables.
Renew your annual memberships which falls due January 1, 2011 now.

Donate by purchasing cedar shingles.

Buy a shingle, Reroof P&H Elevator	Qty	Total
Individual Shingles - \$0.50 each		
Bundle of Shingles - \$25.00 each		
Square of Shingles - \$80.00 each (4 bundles)		

Charitable receipt upon request
