Ongoing Repairs and Maintenance

The work never stops as we continue to maintain and repair the Elevator complex. This summer we have replaced some rotting boards on the main drive-through doors. Thanks go out to James, Stan, and Dave for their efforts on this.

No More Rot

We have also finished the Fridge wall and the bathroom stall partitions in the Auxiliary Building. The bathroom stall doors are under construction and should be installed soon.

Volunteers are also ensuring that all exhibits and artifacts are in working order so we can continue to inform and educate visitors about the history of agriculture and the elevator.

Some miscellaneous finishing jobs are on the agenda as well. Can you help with these projects or any others? Contact 403-740-4799 to see where you are needed and how you can help our ongoing efforts to preserve this important heritage. There is a Job List!

Summer Student Leaves

As we say goodbye to Anne Kwon and send her back to university, we will miss her! Anne did a wonderful job keeping up with mowing, flowerpots, painting, and facility tours throughout the summer. Thanks, Anne! Thanks also go out to Anne's mom, Miran, for planting and maintaining the flower beds.

Merchandise For Sale

We now have some SGEMS Logo hats and T-shirts for sale. We hope to increase our souvenir inventory variety in the future. Show your pride in our Elevator Museum!

Paradise Valley Elevator Museum Tour

In August, 4 of our executive members and their spouses toured the Paradise Valley Elevator, which is also their museum. They have done a marvellous job of turning the Annex into a climb-up, wheelchair-accessible ramp museum with 50 display rooms made up by local citizens. They hosted us, providing coffee and pie as well as very interesting conversation and explanations of their facility. It was a very worthwhile visit, and I recommend it to you all!

Japanese Delegation

We had the pleasure of hosting the Japanese Consul-General and some of his staff along with Town Council members for a tour as part of the town's dedication of the Okoppe Way Park in downtown Stettler. They were very impressed with our history and artifacts.

Canada Day Parade and Heritage Days

Whoopee! I got to ride the grain wagon in the Canada Day parade! Thanks to Jim Long for providing the horse-power to pull the wagon. We also had demonstrations of the Little Giant Threshing Machine at the Stettler and District's Heritage Days, where we threshed some bundles of wheat.

Purchase the Stettler & District History Book

The Stettler History Book is finally nearing completion! We are now accepting deposits for delivery once printing and binding are complete. This is a once-in-a-lifetime opportunity to share the history of the Stettler Area and your family or business story with friends and family. Please contact historybookstettler@gmail.com. Corporate sponsors and donations are encouraged and welcome.

Volunteers/Work Bees

The Stettler Grain Elevator Museum Society is in search of more volunteers! There are a variety of tasks that need to be completed - from restoration work to office tasks, general upkeep and cleaning, guiding tours, and more. If you're interested in becoming a volunteer, we'd love to have you. We can match activities to your interests. Every hour makes a difference! We greatly appreciate the difference volunteers make!
