Casino Application Approved

In January we applied to work at a casino and have been approved. The actual date will be 2 years in the future but this is an excellent fundraising opportunity.

Alberta Historical Foundation Grant

In January we applied for a second matching grant. We will know in June if we are awarded the grant which will provide funding for the following projects:

- reshingle roofs on elevator and feed mill
- further repair to feed shed
- window repair and restoration
- smoke detector and surveillance system
- repaint Shur-Gain sign

Christmas Party

Our annual Christmas party on January 18th was a success with 46 people attending. We thank all those who attended and helped to make it a success.

Meeting Date Change

Our monthly meetings are held on the 2nd Tuesday of the month at the elevator office from about 7:30 to 9:00 followed by coffee, treats, and a visit. All are welcome!
