Have You Seen the SIGN

Our old SHUR- GAIN sign has been restored thanks to the hard work and many hours put in by Jim Andersen, Craig Hague, Mary Roy and Jack Schulze. The metal sign under Jack's expertise was painted with a number of undercoats and finished with automotive paint. We also extend a big thank you to Gil Foot (First Pick Cranes) for donating his time and equipment to install the sign. GREAT JOB --THANKS EVERYONE.

Shingle Campaign

The kick-off on November 4 of our shingle drive included an open house and Q14 Radio personality A.J. Keller broadcasting from the top of the elevator. We are very pleased with the response as we have reached almost 50% of our goal. We hope to raise the balance by spring.
A BIG THANK YOU to everyone that has supported the project with your donations.
